APPLAUSE ALL ROUND
The past fortnight has seen many reasons to applaud the many and varied talents of our students. SHOWCASE was a constant round of applause with the wonderful display of music and dance. Our HSC students sounded well prepared and ‘on-song’ for their practical performances. The other musicians both senior and junior did a great job. Our dancers were another highlight and looked very professional. Of course the staff were not to be outdone and performed ‘Take a Chance’ by ABBA to much applause. Well done to the stage crew as well as they handled the new equipment very well and thanks to Jaide and Matthew as compares.

The night also saw the culmination of our Royal Flying Doctor raffle and congratulations go to the following:

1st Prize – K McKenzie – Tracey Mackie Art
2nd Prize – Anthony Taylor – Exercise Bike
Hampers – Brittany Howarth, Connor Smith, Alex Webster, Kelly Henry, Nikki Anderson
Other Prizes - G Toohey, S. Jones, K Hamson, J.Jones, P. Fenton, C. Hedge, D.Buerckner

By the end of the night and with the Crazy Hair Day added we will be donating a grand total of $2266.73 Well done everyone.

Sarah Colman continues on with fundraising for her trip overseas coming up in October and was a recipient of a CSU Sports Scholarship Award of $1000.00 recently. This will be a big help to her savings account. Sarah would also like to thank everyone for their support with the pie drive as well.

On SHOWCASE night our HSC Major Art and Timber works were on display and our wood projects have now been officially marked. All the boys did a fantastic job with many offers for the pieces to be taken home.

Last Thursday was our Captain’s Speeches for our potential 2015-16 leaders and what a great contest they put up making deciding very difficult. Tasked with the topic of being L.E.A.D.E.R. as the starting letter in a acrostic poem we were presented with some interesting and diverse ideas. Well done to Jaide Goodworth, Eliza Ewin, Belinda Halstead, Mafi Vili, Atticus Strong, Mitchell Harvey and Mac Gosewisch for being contenders and all will make excellent leaders.
YEAR 12
With the captain vote taking place it starts to seem as if our Year 12’s time is rapidly coming to an end. Part 2 of the Trials are complete and it is now time for the last serious push to the HSC. Students have been given details for their last weeks including:

**Highland Heritage:**
RSVP and payment $20 by Friday 4th Sept

**Reference Applications:**
To Ms Mackie by Friday 18th September

**Early Entry**
SRS Universities close Wednesday 30th September

**Final Assembly:**
Family invitations posted Friday
RSVP Wednesday 16th September
Assembly - Friday 18th September 11.10 am

**Slave Day:**
Principal to approve organisation for Tuesday 15th September

**Senior Achievement Applications:**
For interested students – to Miss Jones by Friday 4th September

**Farewell Disco:**
On Thursday 17th September. Signed note must be returned to Miss Mackie to attend.

**Exam Prep:**
Week 2 of holidays, Monday 28th Sept – Friday 2nd October. Staff available each day to supervise and help. Timetable to be distributed.

**HSC starts Monday 12th October**

Graduation Ball:
Friday 6th November. Ticket nominations (4 guests plus student) by 11th September. Payment by Friday 9th October. Requests for extra guests distributed after 9th October.

Sign Out Day:
Wednesday 4th November with grad set up Thursday 5th November.

I look forward to enjoying the last few weeks of the class of 2015 and impressed to students the need to continue the Blayney High tradition of finishing in style and with fun. It is also never too late to improve marks and the completion of practice papers from various sources should be the priority study technique.

---

BLAYNEY HS P&C GOLD COAST RAFFLE – TICKET SELLERS NEEDED
The P&C are holding a major raffle that has been organised to coincide with this year’s fete. Families will shortly receive a letter asking if they would like to receive a raffle book to sell.

The prize is for four nights at the world famous 4½ star Sea World Resort and Water Park on the Gold Coast for 2 adults and 2 children. This includes unlimited entry to Sea World, Warner Bros Movie World and Wet n Wild Gold Coast, a $200 Caltex Cash Card and $100 credit for food and beverage at Sea World Resort and Water Park. The winner will have 12 months to use the prize and it can be used over the school holidays.

Two days have also been organised to sell tickets at IGA

- **Wednesday 16 September**
- **Saturday 3 October**

If you are available to help sell tickets on either of these days could please email either Kate Hamson (katehamson@hotmail.com) or Julie Prosper (jprosper@bigpond.net.au).

BRING YOUR OWN DEVICE (BYOD)
In response to the end of the federal government funding of the ‘Digital Education Revolution (DER) program, the Department of Education is adopting a ‘Bring Your Own Device’ (BYOD) policy. The DER program provided Blayney High School with a robust network infrastructure that will allow us to continue to provide wireless network access to all students on a range of portable devices of their own choice.

Blayney High School is thus developing a school wide policy that will allow students the option to bring a suitable portable device such as a conventional or convertible laptop or tablet to school for the purpose of learning and engagement.

In Term 4 a trial will be conducted for students in Year 8. Students in this year will soon be given specific information regarding what devices may be brought to school during this time and the conditions of their use.

During this trial we will be investigating issues including minimum specifications for devices to be effective, efficiency of connecting to the school...
wireless network and ease of access and use of apps. There are many unknown variables to this, which we have to learn about and plan for during the trial before fully implementing BYOD in 2016. **As such we stress that no family should purchase a device of any kind during the trial phase.**

Students involved in the trial will be asked to bring any devices they may already have and are willing to bring to school so their suitability can be assessed. It is our intention to publish a list of devices and/or a set of minimum specifications that devices will need to have to be effectively used on a daily basis once BYOD is fully implemented. It is our expectation that suitable devices would be available in the $200 - $500 price range and many students will already have ownership of suitable devices.

Naturally we understand that not all families will have access to a suitable device or may choose not to allow a device to be bought to school. During the Term 4 trial a set of surplus DER laptops will be made available to students for use in the classroom.

Blayney High School has initially selected Google’s suite of Applications for Education as the preferred online learning platform as this gives all students secure access to powerful productivity tools and a collaborative learning environment at no cost. The DEC has also given students access to Microsoft Office 365 and some Adobe software free of charge and the use of these will be investigated in due course.

Students will be using specific internet based applications for developing their skills across the curriculum. Each application will have a specific purpose for use and teachers will ensure that all students understand how they will be used in the classroom.

It is important to note that BYOD is in no way designed to replace the need for a class book or folder in each subject. The tasks and experiences provided by the BYOD program will be additional to traditional teaching methods.

An important part of the trial and assessment of BYOD is the gathering of information and viewpoints regarding this significant addition to the educational process. As such we would be interested to hear what you as a parent think at this early stage of the process.

A short parent survey has been created online and can be accessed here, [http://goo.gl/forms/EH53iS4vQf](http://goo.gl/forms/EH53iS4vQf)

---

Please take a few minutes to answer these general questions regarding BYOD as this will help us to tailor the Blayney High School BYOD policy to the specific needs of our parent and student body.

A hard copy of the survey is attached to the newsletter for those parents who may not have access to the internet or would prefer a paper form. Please return these to the front office so your opinion can be taken into consideration.

All students will be surveyed in the coming weeks and specific information regarding the trial for Year 8 students will be coming home soon.

Watch this space!

**ROMEO & JULIET EXCURSION**

**Performed in the Playhouse at the Sydney Opera House**

On Friday, at an hour of the morning that shouldn’t exist, year 10 got up and got on the bullet train to Sydney. The real festivities commenced once we arrived in Sydney. We got two hours of shopping around Westfield shopping centre in Sydney. Lots of clothes and accessories were bought.

We then got to see the concrete jungle as we walked to the Opera House to see Romeo and Juliet. On the way there some people saw the singer James Bay famous for numerous songs including ‘Hold Back the River’ and ‘Let It Go’. Unfortunately, we were too late and James was leaving as we arrived and did not have a photo opportunity.

Most personally thought the show was great and the acting was phenomenal while others who were not quite interested in the genre of performing arts still found it interesting but favoured the shopping part of the trip.
We then got another hour and forty five minutes to sightsee and find dinner around Circular Quay. We got some photos in front of the Opera House and the Harbour Bridge then a lot of students cooled down by purchasing some gelato which was money well spent. We all seemed to enjoy the buskers around the quay too. There were people pretending to be statues, soccer players, singers and much more.

It was then time to get back on the train. Although we were all exhausted, we were still laughing and having fun. The train home was very hot and many people had to move carriages because the air conditioner was playing up. We all arrived home safely and we’re sure most people jumped straight into bed after a fun-filled day.

It was a great day and we look forward to the next English excursion.

UNDER 15’S GIRLS BASKETBALL
On a freezing cold and snowy day, the Under 15 girls’ basketball team played in the Western Region basketball gala day at Orange PCYC. The team consisted of Tayla Hoadley, Mya Brown, Brittany Barnett, Donna Rossi, Gabby Wright, Jay Tennant, Sarah Grenfell and Gemma Garner. The girls made a great start to the day, winning their first game against Canobolas High. The second game against Orange High was extremely close, losing by only 2 points just on the buzzer. A well-drilled and very experienced Lithgow team scored a convincing win over our girls, although we still managed to score the highest number of points all day.

With limited basketball experience, the girls demonstrated outstanding sportsmanship and tenacity to improve their skills and understanding of the sport throughout training sessions and on the day. Tayla was a prolific point scorer and had a high number of steals. All of the girls demonstrated aggression, with Mya being in the face of many of the opposition.

Sarah was unafraid to go after the ball and invade the personal space of every player. Gabby gave it everything she had, including scoring some 3-pointers! Jay and Donna gave each and every game their best, being solid both in offence and defence. Well done also to Gemma for taking on all advice and improving her game in all areas, particularly her ability to read the game and be in the right place at the right time.

Congratulations to all the girls on their behaviour and sportsmanship on the day.

HSC ADVANCED ENGLISH EXCURSION TO THE TEMPEST
On Saturday 29th August, four students from the HSC Advanced English class travelled to Sydney with Miss Mackie to view a performance of Shakespeare’s The Tempest. The play is being studied by students for their Area of Study prescribed text where they are exploring the representations of discovery. Despite a very long return trip to Sydney on the Bathurst Bullet, students and Miss Mackie enjoyed the Sydney sunshine and slightly warmer temperatures by having lunch in Circular Quay before attending the performance at the Playhouse theatre, which is a part of the Sydney Opera House. The performance was done by the Bell Shakespeare Theatre Company and holds significance as it is the last play being directed by the company’s founder, John Bell, before he enters retirement. The choice of play was quite fitting as it was Shakespeare’s last play and acts as a farewell to the stage and the world of theatre. Students in the class were very grateful for the chance to see the play being performed on stage as it has clarified their understanding of the text, while offering some different interpretations of ideas to those studied in the classroom. They certainly have some useful information and ideas that they can now apply to their revision for the text and upcoming HSC exams. I would like to thank the four students, Amy Adams, Tahlia Brown, Jeremy Crome
TAS FACULTY NEWS

One of the most rewarding aspects of working in the TAS faculty at Blayney High is seeing students develop practical skills which will stand by them for life. Food Technology students have the opportunity to create something delicious with these skills every week. Most recently we have seen some fantastic novelty cakes from Stage 5.

For students in the other disciplines, the creation of a “final product or performance” is the culmination of many weeks of work. Metal, Timber and Textiles students are busy working on a range of interesting projects from “onsies to foot stools and tack hammer”. Those of you who were fortunate enough to be in the audience for our annual Showcase performance would have seen the depth of talent from our musicians and dancers.

The Stage 5 Visual Arts students are putting the final touches to their portraits for our inaugural Blayney High version of the Archibald prize. I hope that as many community members as possible come along to the library to see this exhibition next week.

However at this time of year the real spotlight deserves to be on our HSC students with the submission of major projects, body of works and performance. Last week saw the marking of the Industrial Technology major works. The class put together one of the most impressive displays that we have seen in years.

Our Visual Arts students’ “body of work” is now in lock down waiting for marking next term. There are some inspiring works in the mediums of drawing, painting, time based forms and ceramics. After “Showcase”, Music students are fine tuning their performances in readiness for marking before the end of term.

The students in all these subjects have worked hard throughout the HSC course to create some outstanding works and performances. I congratulate them for their effort and dedication. However this success is also a reflection of the partnership between the students, their families and their teachers. I would like to thank all the families for their support and encouragement over the year. Thanks also must go to class teachers Ms Langbein, Mr Arrow and Ms Byrne who have been tireless in providing guidance, support and expertise throughout the course to ensure that their students achieve to their potential.

Finally I would like to wish all our HSC students the best for their exams and life beyond school.

Students are currently working on a variety of different items. The majority of the girls are making ‘hoodies’ (jumpers with hoods), again using a commercial pattern but creating their own styles and designs through their choice of fabric. Some other items include pyjama pants, a skort, a long cape, an overnight bag, a beanbag, a kimono and slippers. Congratulations to all girls for their wonderful efforts and their improved skills this year.

TEXTILES

The Stage 5 Textiles class have been working hard all year to produce a variety of different items. They started out making some decorative lumbar-style cushions and progressed into making ‘onesies’ in time for winter. The girls were provided with a commercial pattern for each. However they were able to make modifications and create their own designs using their choice of fabric. Ellie Hamer took the challenge of design to the next level by

Kimberley Anderson
Ellie Hamer
totally modifying the sleeping onesie into a daywear and fashionable outfit. This meant major modifications and prototypes having to be made to ensure the garment fit her absolutely perfectly. She did an amazing job and is to be congratulated on her outstanding final product. All of the girls have produced some wonderful work and are finding their onesies warm and comfy!

**SPORTS UPDATE TERM 3 WEEK 8**

Blayney High students Dimity Parton, Thomas Dale and Brandon Fraser will be representing Western Region at the upcoming CHS Athletics Carnival to be held at Sydney Olympic Park (Homebush) from Thursday 3rd September to Saturday 5th September. These students placed in the top two of their events at the WSSA Athletics Trials and are looking to carry their successful form into the CHS State Carnival, good luck to you all the school community is very proud of your efforts.

Congratulations to Sara Colman on her recent selection in the NSW Metro Open Girls Representative Futsal side that will be contesting the 2015 National School Futsal Championships. The National Futsal School Championships will take place in Brisbane South late September to early October. Good luck in the upcoming competition. Well done to all students on your sporting efforts and achievements. We love to hear about all your sporting experiences and successes at school, keep letting us know!

**YEAR 11 SLR WHEELCHAIR RUGBY CHAMPIONSHIPS**

As a part of their studies of the Games and Sports Modules, SLR (Sport, Lifestyle and Recreation) students are exposed to a range of traditional, non-traditional and inclusive individual and team sports and games in both a theory and practical sense. This year the year 11 SLR students were given the opportunity to attend the 2015 Fierce 4 GIO National Wheelchair Rugby Championships. Most of the Year 11 students had heard of and even tried their hand at some modified wheelchair rugby during practical classes and on Thursday 20th August travelled down to Sydney to watch how the professionals do it. If you don’t know much about wheelchair rugby, it’s okay. You won’t be short on finding videos on YouTube featuring the smashing, bashing and slamming of those custom made wheelchairs sparkling with dents from hit after hit. There is even a captivating documentary aptly titled “Murderball”. It’s the only game quadriplegics, or “quads”, can play. Each team has 4 players on court (hence, Fierce “4”) with a maximum point value of 8.0 combined. Players range in classification from 0.5 to the highest level of mobility at 3.5. The game is a cross between basketball, ice hockey and bit of Mad Max! There are four quarters, each eight minutes in length. It’s strategic as much as it is confronting. And the students found it incredibly fun to watch live.

The SLR students were treated to some intense matches and got to see teams from all over Australia and New Zealand competes for the coveted Fierce 4 Rugby Nationals title. Teams from NSW, New Zealand, Queensland, Victoria, Western Australia and South Australia were in attendance and the students were quick to favour the 2014 winners – the NSW Gladiators – who were very much the fancied team of the 2015 competition.

As reward for their support the students were given the opportunity to meet the players and coaching staff of the NSW Gladiators after their final game. The students enjoyed getting photos, autographs and the opportunity to talk with the athletes who shared some valuable insight into their lives as athletes with disabilities.

Mr Salmon

---

**CROSS COUNTRY**

The annual Blayney High Cross Country will be held on Thursday 3rd September at the Blayney Golf Course. Students have been reminded in daily notices that this is a **COMPETITORS ONLY EVENT** and that students must sign up at the PE staffroom **before Wednesday 2nd September** if they wish to compete. Students who sign up will receive a permission note which is to be returned to the front office along with $5 **before Wednesday 2nd September**. While every care and precaution will be taken to ensure the safety of those competing, parents and competitors must understand that this long distance event can place large amounts of stress on the body and so competitors should be properly prepared.

Students competing will attend school as normal on the day, and at 1:20 pm (bell for lunch 2) all competitors will meet for a short assembly and travel by bus to the Blayney Golf Course. All competitors will walk the course on arrival (approx. 1:30pm). Distances for age groups are specified below:

- 12 and 13 years boys and girls = 3km
- 14 and 15 years boys and girls and 16 and opens (17+) girls = 4km
- 16 and opens (17+) boys = 6km

Race starts will be staggered, with those competing in the farthest distance starting first.

On completion of the events students will return to school by bus in time for regular afternoon departures.
Students will be required to bring equipment needed for periods 1-4.

It is recommended that competitors wear appropriate school sports uniform and running shoes, use adequate sun protection (sunscreen, hats etc.) and bring a water bottle and any personal medication (i.e. asthma inhaler) necessary.

Mr Salmon

The 2015 Blayney High School Archie’s

The Year 9 & 10 Visual Arts class in conjunction with the Blayney High School Library would like to invite friends, parents and teachers to the official opening of the Blayney High School ‘Archie’ Portraiture Prize.

A collection of portraits that Year 9 & 10 have produced based on famous Australians will be displayed for voting until the end of Term 3. Students will compete for the prestigious ‘People’s Choice Award’, ‘Judges Choice’ and ‘The Packing-Room Prize’.

Where: BHS Library

When: 1.00 pm Tuesday 8th September

Refreshments will be provided.

We look forward to seeing the art enthusiast, art curious and art novice wowed by the range of portraits on display!

BLAYNEY SCRIPTURE IN SCHOOLS

The Basis (Blayney Scripture in Schools) committee are organising a fund raising night on 19th September.

The evening will be a Dessert and Coffee night with guest speaker Michael Croke from ABC Saturday breakfast show. Michael has been guest speaker and compare at many local, state and national functions and conferences.

Basis is a group of local people interested in our young Blayney folk and hope that they are taught some principles of life and love by attending scripture at Blayney High School. For these classes to continue money needs to be raised for the teacher.

The evening will take place at the Blayney Community Centre, 7.30pm on Saturday 19th September. Tickets will be available at Blayney Real Estate office, Adelaide Street Blayney at $15 per head.

SECOND HAND UNIFORM

The Clothing Pool would appreciate donations of any good quality second hand Blayney High School uniform for their shop. In particular, boys grey trousers, grey shorts and girls maroon skirts. Donations can be dropped at school office.
YEAR 12 INDUSTRIAL TECHNOLOGY – TIMBER MDP’S

This year has seen an array of quality projects constructed by the Year 12 Timber Technology students. Projects included a rolling drink cooler constructed by Lachlan Hobby, a display unit by Christopher Baker, hall table by Benjamin Robinson, bedside chest of drawers by Ryan Oborn, bench seat with storage constructed by Lachlan Ewin and a coffee table by Bryce Ryan. The students worked hard throughout the course including taking advantage of staying back on many occasions after school to continue crafting their projects into the fine standard that they are today.

The projects and accompanying folios were proudly displayed in the downstairs ‘D Block’ area and were marked by the HSC marking team on Tuesday 25th August. The quality of these projects would not have been made possible without the support and involvement of the students’ families and I thank them for this. I would like to take this opportunity to say not only how proud I am of these students but also what a pleasure it was to teach the boys for the senior course.

Mr. Arrow
12th August 2015

Ms Sue Jones
Blayney High School
Water Street
BLAYNEY NSW 2799

Dear Sue

Once again I express my sincere appreciation for the work of your Year Eleven students at our recent Grandparents Day at the Community Centre.

I received many complementary remarks from various sections of the community in regards to their service and pleasant disposition.

Without exception these students are a credit to their families and Blayney High School.

Please pass on my appreciation to these students and to Maxine for their outstanding representation of Blayney High School.

Our Grandparent Day was a great success and the contribution of your students made this experience a most memorable day for many of the senior members of the Blayney community.

We look forward to the opportunity of working with Blayney High School with future community events as the opportunity arises.

With Regards

Robyn Wallace
Acting Principal
Blayney High School 'Bring Your Own Device' Survey

* Required

1. What does Bring Your Own Device (BYOD) mean to you? *
   - [ ] My child can bring in any device that could be used to connect to the internet
   - [ ] My child can bring in any device on a list of preferred devices listed by my school
   - [ ] I will need to purchase a predesignated device for my child to use at school
   - [ ] Other: [ ]

2. What type of device do you have at home (if any) that your child would be able to bring to school? *
   - [ ] Laptop
   - [ ] Google Chromebook
   - [ ] Netbook
   - [ ] iPad
   - [ ] Android tablet
   - [ ] Windows tablet
   - [ ] No device
   - [ ] Other: [ ]

3. Which of the following operating systems is your child most familiar with
   - [ ] Windows XP
   - [ ] Windows 7
   - [ ] Windows 8/10
   - [ ] iOS (iPad, iPhone and iPod)
   - [ ] OSX (MacBook Air, MacBook Pro and iMac)
4. What type of internet access do you have at home for your child to access?
- No Internet access
- Dial up Internet access
- Fixed Wire Broadband Internet access
- Internet access on Smartphone
- Mobile Wireless Broadband Internet access

5. What concerns do you have about a BYOD policy being implemented at our school? *
- Safety and security of the device
- I do not want my child to bring their device to school
- I don’t think there is a place for this device in my student’s schooling
- Equity concerns for students and families in financial difficulty
- Appropriate usage of the device
- Other:

6. What would you like to know about regarding BYOD at our school?
- How these devices will assist my child in the classroom
- What services will be provided by the school
- How will damage and misuse be dealt with
- Which device is the preferred option for student learning
- Responsibilities of students under a BYOD program
- Other:

7. Would you support in theory a BYOD program being implemented at our school? *
- Yes
- Need more information but open of the idea of BYOD
- Need more information but sceptical of the idea of BYOD
- No

8. If we held some training days to demonstrate how these devices will be used in the classroom and how you can support us from home, would you be interested in attending?
- Yes
- No
- Maybe

9. Which of the following times would suit you to attend a school forum and demonstration of BYOD?
- Morning
- Afternoon
10. If the school suggested that students use a device that you currently don't own, what would your maximum achievable budget be to purchase a suitable device?

☐ $100 - $300
☐ $300 - $500
☐ $500 - $700
☐ Could not afford to buy a device

11. What other questions, concerns or queries do you have regarding the implementation of a BYOD program at our school?

Thankyou for your time.
## School Uniform Order Form

The Bayview High School Clothing Pool operates as follows: if you need to purchase items please complete the order form below and submit to the front office before 1pm, this will be filled and be ready for pick up from 2:30pm. Orders dropped off after 1pm will not be filled until the following school day.
